What to Wear

New students and students registered for a trial class can wear anything comfy such as sweatpants and a t-shirt, until they receive a uniform. Returning students, please train in your uniform. If you require a new uniform, please email horizontkd@outlook.com to place an order. Please also bring a water bottle to class. Shoes are not required on the training floor.

What to Expect

Please arrive a few minutes prior to the start of class. An instructor will greet you upon entering the building and will give instructions on where to stand. All students will receive a manual when starting the program. For students who have registered with the promotion to receive a uniform, they will be sized for a uniform the first day. We do our best to have sizes on hand, however, in the event we do not have the proper size, we will have one ordered right away.

COVID Policy

Our current COVID policy is still in place ensuring the safest environment possible. We do require all students to continue to wear masks when entering and leaving the facilities. Although masks are not required when participating in training, students are welcome to wear their masks during class. To view our policy, please click her [COVID Policy](#).

- Masks are mandatory when entering and leaving the training floor. Students are not required to wear a mask when training.
- Anyone entering the building over the age of 18 is required to show proof of full vaccination against COVID-19, proof of a negative COVID test within 72 hours (home kits are not valid) or an exemption letter.
- There are no spectators at this time, unless there is a specific reason and has been arranged in advanced.
